Modification to Part B Permit Application – Page D-21**

Dear Ms. Webb:

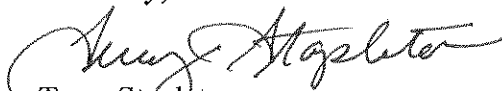

PMC Organometallix Inc. (PMC) Carrollton, Kentucky is submitting this modification related to Section D of our permit application (Process Information). Page D-21 is being modified to clarify the capacity of the hydropulper with respect to the height/depth of material that is being charged.

The following documentation is attached:

- a revised copy of Section D (tracked changes Word document), and
- a clean copy pdf file of page D-21.

Please do not hesitate to contact Laura Robinson or me at (502) 732-4411 if you have any questions.

Sincerely,

Terry Stapleton  
Plant Manager  
PMC Organometallix Inc.  
Carrollton Plant
